#### Accessioning and Disposal

OCR/GR has expressed a need for a special size box to retire their 35 mm movie film in. Arrangements have been made with [redacted] to fabricate a 10 x 12 x 12 cardboard container that will satisfy their need.

25X1

A total of 70 cubic feet of records were actually destroyed by burning. This leaves a new total of 996 cubic feet in the disposal area.

#### Reference

The inventorying and shelving of map negatives has been completed. No space was saved, but reference time should be cut in half since they are now more accessible.

#### News

The Center was called upon to assist the OTR movie making crew by providing unclassified records to use as props in a management film they are making.
